A word from our President.....

Greetings Members!

Thank you for your interest and support for your association. I hope your summer was great. School is back in session. And TPHCCA has held its 26th Annual Educational Enrichment Conference that was on September 18th thru the 21st of September. It was exciting, networking with you (the members) and welcoming our new first comers to conference. 25 Magical Years we celebrated! Conference Coordinator (Brenda White) and her committee put an awesome Conference! Job well done Brenda White.

I have experienced a phenomenal growth in myself, serving my 1st year term as President. What a tedious responsibility, but I will not be complacent. I have truly enjoyed myself. I want to thank my Board of Directors for supporting me. TPHCCA will be making some money savings changes, to ensure that we have quality Education Trainings and your board having Leadership Training. Members you are being notified that you will not receive the usual flyer for Spring Workshops and future Conferences, that an email with an attachment on how to register for trainings will be sent to your email address. If you did not attend Conference in September at the Hilton Garden Inn, please contact Jackie Lewis (Membership Chair) with an updated email address. Information of the 2015 Spring Workshops will be in the 4th quarter newsletter.

It has been a pleasure serving as your President and representing your interest. I will continue to lead our association, with professionalism, and confidence and continue our path towards excellence for all home child care providers. Remember to always reflect on who we are and what we do. God bless you all.

Respectfully,

Cornetta Roberts

A word from our Treasurer.....

Hi everyone,

Can you believe another year is over, Conference is behind us and were working on our workshops for 2015 and our conference in 2015? If you missed conference you lost some very special classes. All the speakers showed up and everyone was trying to decide which class to attend. There were several time slots that you really wanted to attend both classes. Thanks to our conference coordinator Brenda White we all have some new ideas to take back to our day cares.

We still need help with conference Exhibitors, Speakers Facilitation, and Hospitality Committee. If anyone would like to help on any committee come to the meetings!!

Thank you for all the little things you do for T.P.H.C.C.A. add up to a successful team.

Summer break is over and it's back to school for most of us! It's always nice to have a break but I'm glad to see school start, so we are back to our returns and everyone get to daycare on time. Vacations are over and everyone is back to work.

We have had some good times and sad times. Please keep all of our members in your prayers that have lost love ones, spent time in the hospital, or have had family move in with us due to sickness.

Also some of our members are having a hard time keeping & getting children due to the cut backs at their parent's workplace.

Volunteers

We pay them far too much, wouldn't you agree?

We often expect far too much from far too few!

Unless you are ready to step up and volunteer...

Be kind to our Board Members

Remember to thank each of them for all the time they invest and their decision to bring value to this Association.

There is a lot of work behind the scenes and it is often un-noticed.

Thank you for all the little things you do for T.P.H.C.C.A. add up to a successful team

A word from our Conference Coordinator

Hello to All TPHCCA Members,

Welcome to the best Childcare Association in TEXAS, happy to have you on board. I hope the workshops were all you expected it to be. The 2014 Conference was awesome, great speakers, great entertainment, exhibitors wonderful, silent auction was a big success all because of you the members. The Annual Banquet was a fabulous event, it was so nice seeing all the people from the past come a celebrate with us. This shows that this organization is worth being part of it, because it is an element in your life, for life. I have been part of this group of fantastic ladies for 15 years, and would not change one thing about what it stands for.

I would like to thank my 2014 Conference Committee for a job well done, I could not have asked for a precise and organized group of ladies. This Conference could not have happen like it did without you GO TEAM!!!!

The TPHCCA board is back at work planning for 2015 conference, as you can see the work is never done. These members are like the Energizer Bunny they keep going, going and going. They continue to work hard to make thing better for the members of this great Association. Remember, our theme for next year's banquet will be a Masquerade theme. We are having a contest for the best mask, either create or purchase one. So get those creative juices flowing and be that winner. If you thought you seen a lot on this year wait until 2015.

If you ever want to work or participate on a committee please call any member of the board and inquire and they will be happy to assist you.

At conference there was a Tell Us What You Want form and the consensuses was said that the members want to have Conference in between Dallas and Houston every other year. Now that membership has spoken the Executive Board will be evaluating the finances and making an Executive decision. Members also stated they want the conference to stay the same , Thursday through Sunday. Hotel rate up to \$125.00, this does not mean we will not work hard to get it as cheap as possible.

A word from our Fund Raising Chair...

Hello to everyone!

Happy Fall to all the members! Well, another conference has come and gone.

It was wonderful seeing all of you who attended this year's conference in Duncanville. The fundraising table in the exhibit hall did great! We had items on clearance at discount prices and a few new products. One of our new products is a blue tumbler (stainless steel interior & lid) with the TPHCCA logo in front. The other new products included the 2014 Conference T-shirts, bars and charms. As always, we also had raffle tickets for sale. This year we raffled off a laptop computer and a gift card bouquet with 25 gift cards attached to silver stars. The bouquet was in honor of TPHCCA's 25 year anniversary and was valued at \$280. Congratulations to the winners of these raffle items! I did have some help from a few of our conference committee members and a region representative in selling raffle tickets during the conference. Thank you Ada Garrett, Edith Shepard and Patricia Plummer! Congratulations to Ada Garrett for being the top seller with a total of 200 tickets sold! The TPHCCA Fundraising table brought in \$1137 from product sales and \$605 from raffle tickets with the grand total income being \$1742. We've already begun to work on ideas for next year's fundraising table. So if you missed us this year be sure to mark your calendar for next year's conference because I would love to see all of you come by the TPHCCA Fundraising table and check out all our products!

A word from our Regulated Home Childcare Concerns

Hello members,

NEW Senate Bill 64, passed by the 83rd Legislature, requires certain licensed operations to develop and implement a vaccine-preventable disease policy for employees by September 1st

What would be an example of how licensing will evaluate my operation's compliance with the new rule?

The new rule requires you to specify any vaccines that you have determined an employee must have based on the level of risk the employee presents. Licensing staff will review your policy to ensure you have specified any vaccines an employee must have. For example, if your policy outlines that all employees must only obtain a flu vaccine once every 12 months then we would only review compliance with the employee's requirement to obtain a flu vaccine.
