A word from our Membership Secretary

Greetings fellow members of TPHCCA,

I would like to take this opportunity to share the membership totals for the past three years:

2014: 337 members

2013: 324 members

2012: 391 members

It is because of you that these numbers are on the rise again. As you have probably heard me say, if “EACH ONE REACH ONE” we, as a TEAM, can double the membership numbers.

In each quarterly newsletter you will find the “Membership Benefits” which we invite you to share with other childcare providers who can benefit from being a member just as you do.

Lastly, as the year of 2014 comes to a close so does my term as Membership Secretary. I will be moving to a position on the Membership Committee as I assist my successor in mastering the requirements of being Membership Secretary.

It is with great pleasure that I announce that my successor will be Lisa Carlson. Lisa has served on the board as a 5E Regional Representative (Dallas Area). Like myself, Lisa most of all, has the heart for assisting others in obtaining and utilizing the benefits of being a member of TPHCCA.

It has been a GREAT PLEASURE working with you, the members of TPHCCA.

Greetings,

I hope each of you had a very Merry Christmas. I am looking forward to things quieting down for awhile. I love Christmas but the “hustle and bustle” of the season can be tiring.

A new year is about to begin. I am looking forward to a new year for TPHCCA, I sincerely hope each of you are also. What a wonderful way to make new friends, see old friends and get training all at the same time. Plans are underway for conference 2015, plan now to attend. I would love to see you all there.

I pray each of you have a blessed year.

Dawn dishwashing liquid makes great homemade bubbles. Here is the Giant Bubble Recipe used in bubble makers at many children’s museums: 1/2 cup Ultra Dawn 1/2 gallon warm water 1 tablespoon glycerin (available at any drug store) OR White Karo syrup works too! Stir gently. Skim the foam off the top of the solution (too much foam breaks down the bubbles). Dip bubble wand and get ready for some good, clean fun!
