

Newborns in Need is Now -
LOVE THY BABY

Texas Professional Home Child Care Association is proud to announce that we have chosen Newborns In Need as our principle charity.

Effective January 2015, we will change our affiliation and become an arm of Love Thy Neighbor (LTN), a local 501c3 that is already providing other services in our area, including a community kitchen and a clothing assistance program. As a service arm of the Love Thy Neighbor family, 100% of the money that Love Thy Baby will raise can be used to help needy newborns in our community. In addition to keeping the monies that we raise on our own, LTN will help us raise more money and grow awareness of our organization in the community. The LTN board has a proven track record in recruiting volunteers, securing in-kind donations, and raising money to support their other service arms. To learn more about LTN's current programs, visit their website at www.ltnlovethyneighbor.org

As a member of TPHCCA you can help by making a financial donation or donate any of the following items to any workshop or at conference:

Infant socks(0- 6 months) onesies & gowns (0-6 months)
hats and blankets

THANK YOU in advance for your donations.

For questions feel free to contact:

John Schindler, TPHCCA Charity Chair at (254) 896-2260 after 5:30pm.
